

Refund request form

A refund must be requested by the parent or agent of a student. To comply with Canadian legislation, refunds of international payments must be returned to the person who originally paid and in the country from where the funds originated. If a payment was originally made via Flywire, it will be returned via the same means—regardless of what is selected below.

Refunds via wire transfer (including refunds via Flywire) are subject to a wire fee.

By signing below, you agree to the statements above and affirm that the information on the following page is correct.
