

THREE HILLS SCHOOL

- Located in Three Hills, Alberta
- Grades K-12
- Homestay and Dormitory Options

The town of Three Hills is a small community with many amenities including a hospital, swimming pool, curling rink and hockey rink. Our schools are among the best in Alberta and our communities are safe and caring.

Three Hills School (THS) is one of the larger schools in Golden Hills School Division and offers a continuous program of education from kindergarten to grade 12. The school population is approximately 500 students, excluding our international students who have come from Asia, Europe, Africa and North and South American. The staff serve students with excellence in a safe, respectful, and caring community which helps students achieve their potential.

In-School Services: Guidance Counselor, Family Resource Worker, ESL Support

Distance from school to hospital: 1.9 km

Three Hills School is a great place for international students to get involved and improve their English skills. School counselors help students to choose classes in which they will be challenged as well as successful, and ESL help is available. Teachers are available for extra help in other subjects when needed. Help with post-secondary applications and preparation for English tests such as IELTS is available if needed.

International Week is celebrated with a chance for students to showcase their home countries through a food fair and cultural presentations in the K-6 classrooms. Other all-school events such as: pep rallies, Terry Fox Run and Remembrance Day ceremonies include students of all ages participating together and creating a community atmosphere. The Me-to-We club focuses on student and community wellness as well as planning social activities, such as movie nights for the International and Canadian students.

International students also integrate into the school and community through special volunteering opportunities, athletics, music, in-school sports and drama. Individual achievements are celebrated at the Lunch of Champions, as well as awards are given to students for academic achievements.
